

H. H. Bagbo, Esqr. of Erin has been in the city for two days past.

Prof. Wm. Yarell, who is teaching at Paris, Tenn., came home to vote.

Our compositors stood nobly up to their cases and worked all night Tuesday and Wednesday nights.

"Old Scratch" got in his work in Montgomery county and mostly busied himself with Citizen Savage.

THERE was a large crowd of people in the city Wednesday, all eager to hear the latest election news.

MARRIED in this county October 30, 1884, by Rev. H. S. McBride, Mr. J. W. Smith and Miss Ella J. Burton.

Mr. E. T. Lucas a gentleman well known in Clarksville, will soon open a stock of furniture in the store recently vacated by G. M. Whiteside.

Morris Brandon, Esqr., a prominent young attorney of Dover, and Mr. Crockett editor of the Courier in that place, have been in the city awaiting election returns.

WE have received the first copy of a new paper called "American Home," published and edited by Rev. T. E. Richey, at Princeton, Ky. It is neat and well gotten up.

SEVERAL unrepentant Sky Blues in this county showed their eternal adherence to the State credit principles by voting for Mr. Joseph Fussell for Governor, Tuesday.

It is said that Nebraska wants a Railroad Commission. Suppose we pack Savage & Co. in ice and ship them up there. We have no further use for them in Tennessee.

THE protracted meeting is in progress at the Cumberland Presbyterian church. Some interest manifested last night. Dr. Sheldrake is an interesting speaker. Go and hear him.

ON account of telegraph dispatches costing us so much, we are compelled to charge 10 cents for a single copy of the Daily CHRONICLE. We hope our friends will encourage the enterprise at least enough to pay expenses.

Mrs. R. R. Donaldson died at her home in Hopkinsville, Ky., on the first inst. Her husband is a brother of Mr. William Donaldson of New Providence and she was the daughter of D. D. J. Gish of Hopkinsville.

THE election in this county was remarkably quiet, no disturbances of any kind having occurred. The Republican vote was heavier than was expected. The negroes were well organized and voted the straight Republican ticket.

MR. GEORGE WOOD has opened a grocery store in Barksdale's old stand, corner of Franklin street and University avenue. He intends keeping a full stock of everything in his line, and his goods are the most choice that the market affords.

MR. ZACK DAVIDSON, who was mistaken by Mr. Hendricks for a burglar Tuesday morning, and shot, died from the effects of the wound Wednesday morning about 8 o'clock. This is truly an unfortunate affair and no one regrets it more than Mr. Hendricks.

A DISPATCH from Mr. John J. Vertrees to Michael Savage, Esq., yesterday afternoon stated that Bate was elected by a reduced majority; that the Republican Legislative ticket was elected in Davidson county and that the contest there between Reid and Bate was still undecided.

THE Railroad Commissioners were snowed under in this city by an overwhelming vote and defeated in the county by a small majority. A great many Democrats who oppose the commission scheme voted for the commission because they thought their duty to party demanded it.

MADISON county claims that she can and will surpass any other Tennessee county in her exhibit at New Orleans. Will Montgomery county allow this? We have no appropriation for the purpose here as they have in Madison, but our well-known county pride will nevertheless not permit us to be out done.

THE Southern Historical Society papers for the past quarter come to us greatly enlarged. Its table of contents is replete with interesting articles concerning the late war. No person who wishes to inform himself on recent American history or to preserve accounts of the battles between the Northern and Southern armies from a Southern standpoint, should fail to subscribe for these papers. Yearly subscription, \$3.00. Address Dr. J. W. Jones, Secretary Southern Historical Society papers, Richmond, Va.

**To Tax Payers.**  
I have visited every district in the county in person, and the collections are \$759.26. I respectfully ask that you do not put off paying your tax until the time specified by law expires, as it will be impossible to wait on you all at once. I trust I will not have to put a single claim in the hands of an officer for collection.

R. H. PICKERING, Trustee.  
Nov. 5, 1884.

Mr. Clifton W. Bransford, of Owensboro, Ky., was in the city Monday, and favored us with a call. The editor of the CHRONICLE recognized in him an old college mate, whom he was much pleased to meet again. Mr. Bransford was one of the brightest boys at the university, and his talents now shine forth from the columns of the Owensboro Messenger, one of the leading papers in Kentucky, of which he is editor.

**Tobacco Report.**

Mr. B. K. Gold, of this city, has issued his tobacco report, dated the 1st inst. It contains the following figures referring to receipts, sales, shipments, &c., at this place:

Receipts for Oct.....	19 Hds
Sales for Oct.....	6 "
Shipments for Oct.....	721 "
Receipts for the year.....	17,065 "
Sales for the year.....	7,629 "
Shipments for the year.....	17,620 "
Stocks on hand Nov. 1st.....	545 "
Stock unsold.....	33 "

Owing to the scarcity of stocks in our market, sales during the past month were almost entirely suspended, therefore nothing of much importance in the way of sales can be expected until the new crop comes forward in sufficient quantities to attract attention. The late portion of the crop had ample time to fully mature, and was all saved without injury by frost, as the first killing one did not occur until the night of the 23d.

The views of planters (as a rule) being much above those of buyers, but very little has yet been done in the loose trade.

**How To Make a Live City.**

Sell your building lots at reasonable prices.  
If you can afford to do so, donate a building lot to some large business enterprise, and thereby enhance the value of town property.  
Induce business men to locate in your town.  
Patronize the business men of your own town.  
Always sum up your expenses when you visit outside of your own town to purchase goods.  
Speak well of worthy public enterprise.  
If anything should be undertaken that may be of benefit to the town, do not speak ill of it to others because you happen to be prejudiced against it.  
Speak well of your town and people to strangers.  
If you have any surplus money, do not invest it in far off speculations, but give yourself and your town the benefit of it by establishing some profitable factory.  
Encourage your local newspapers by subscribing for, advertising in and paying for them.

## PERSONAL.

Dr. J. M. Bowling, of Nashville, is visiting friends in the city.

Hon. Austin Peay, of Christian co., Ky., State Senator from Christian and Hopkins counties, is in the city.

Miss Mary Ogburn, the lovely daughter of the Rev. S. D. Ogburn, of Springfield, Tenn., is on a visit to the family of Mr. C. Mehigan, of New Providence.

T. P. Burke, of New York, is in the city and will accompany the South Christian Hunting Club on their excursion to Arkansas. He is a member of the Club.

Rev. B. M. Stephens and wife, and Mr. Jas. Roberts and wife, left Wednesday morning for Texas. Mr. Roberts and wife will make that their home; Rev. Mr. Stephens will return in about three weeks.

Herald-Enterprise: Mr. E. B. Ross, of Montgomery county, Tenn., who has rented Mr. N. Long's tobacco factory for this season, has been talking the "weed" among our farmers and has bought several crops. He says he finds the tobacco better than he expected.

Miss Pearl Frost, one of Murfreesboro's most charming belles, is expected to-day, on a visit to the family of Rev. R. J. Craig, of New Providence. Miss Pearl is one of the most popular visitors our county ever had, and we know of several of our beaux who will wear the smile of happiness on her arrival.

Gill-Anderson.  
In Allensville last Thursday evening, at seven o'clock, at the residence of the bride's mother, Mr. T. E. Gill was married to Miss Alice Anderson, Rev. Geo. B. Browder officiating. The ceremony was pronounced in the presence of a number of friends and relatives, after which a sumptuous wedding supper was served. Both parties are of Allensville, and will make that place their future home. May they live long and prosper.—Bardsville Herald-Enterprise.

**NEW JERSEY.**  
The Trenton Times estimates Cleveland's majority in New Jersey at 3,600, and probably carry the Legislature by 5 majority on joint ballot. The Senate is Republican by 1 majority.

**ILLINOIS.**  
Five hundred and one precincts, including 78 in Cook and Chicago give the Republican Governor a majority of 5,202.

**OREGON.**  
The State goes Republican by 1,500 to 2,000. The indications are that Armstrong, Republican, is elected Congressman from Washington Territory.

**NEVADA.**  
About half the ballot was counted up to 3 p. m., but enough to show that Blaine, Woodburn and the entire Republican legislative ticket is elected. Storey county is carried by 300 to 400 majority. The Republican State Central Committee claim the State by 1,100 majority.

**INDIANA.**  
Two hundred and eighty voting places show a net Republican gain of 2,315, which is 16 per cent. of the whole State. This indicates that Blaine has carried the State.

Five hundred and ninety voting places show a net Republican gain of 4,516. This ratio of gain indicates a Republican majority of 1,500 in the State.

Six hundred and seventy-three voting places show a Republican gain of 12,595 and a Democratic gain of 7,392; net Republican gain, 5,203. This indicates a plurality for Blaine in the State of 2,000, if the rate of gain continues.

**MISSISSIPPI.**  
Grenada—Cleveland 269, Blaine 207, Barry, Democrat, for Congress, 266, Frazer, Republican, 207.

Jackson—In the Seventh District Hinds, Rankin, Copiah, Claiborne and Madison counties give Barksdale, Democrat, 3,050 majority. His majority will be close to 5,000. Returns are incomplete by counties from the Fourth, Fifth and Sixth Districts, but enough is known to state the election of Singleton, Barry and Van Eaton, Democrats by a decided majority.

**CALIFORNIA.**  
San Francisco, November 5.—Returns from the interior are coming in very slowly. Up to 10:45 p. m. only thirty-one precincts in several different counties were heard from, giving Blaine 1,394 and Cleveland 1,136, a net gain of 198 for the Republicans over 1880, when Hancock carried the State by a plurality of 390. The above rate of gain will be hardly maintained, but the assumption from the returns already received and other indications is that Blaine will run ahead about 6,000 in the interior. A very large vote was polled in this city which indicates that the Democrats have carried the city by perhaps 2,500, which would make Blaine's majority about 3,500. The vote cast for congressmen indicates that the Republicans might get four out of the six. The returns are coming in so slowly that there is very little on which to base an estimate of the result on this coast. Both parties are confident and claim the State, but the indications favor the belief that it has gone Democratic by from 1,500 to 3,000.

**LOUISIANA.**  
Monroe—Cleveland 391, Blaine 71 Boatner, Independent Democrat, 3-5, King, Democrat, 91.

Monroe—Official returns in Achilla parish: Cleveland 1,896, Blaine 86, Boatner, Independent Democrat, 947, King, Democrat, 623, Morrey, Republican, 18, Prohibitionist 19.

Lake Charles—Sixteen precincts in Calcasieu parish give Cleveland 1,057, Blaine 278, Gay, Democrat, 1375, Kellogg 257.

Payne—Cleveland 225, Prohibition 16, Ivion, Democrat, for Congressman, 241.

**OHIO.**  
Cincinnati, Nov. 5 11 p. m.—All the counties in Ohio Reported unofficially except Henry, Munroe, Ottawa and Spaulding, net Republican majority, 36,165. Blaine likely has plurality of 310,119.

**CANADA.**  
Toronto, Nov. 5.—There is considerable excitement here over the presidential election in the United States. The newspaper offices are thronged with people anxious to know the latest news. In the Grand Opera House, during the performance last night, the results were read at the end of each act. When the reports indicating Cleveland's majority in New York were announced there was loud cheering. Montreal and Ottawa dispatches say great interest is taken there in the elections.

Wheeling, Nov. 5.—Goff's majority in Marshall county is estimated at 800 a republican gain of 132. The returns from West Virginia indicate that the vote will be close. The returns already received indicate a small republican majority, but the result is very doubtful. Hancock county gives Blaine and Goff 250 majority. Gen. Goff's majority in the First Congressional district is estimated from 250 to 500.
